### School Outings

Take your students on a field trip three million years in the making at the original Jurassic Park, where some of history's earliest and largest dinosaurs once roamed, including the mighty stegosaurus. There's so much to see and learn here at the Royal Gorge Bridge and Park.

### Meetings and Seminars

Ordinary meetings and seminars become extraordinary adventures at the Royal Gorge Bridge and Park. The Bighorn Mountaintop Lodge, with its stunning views of the Bridge and Gorge, is an inspirational and motivating venue for any type of business gathering, one that will give your attendees something to talk about long after the trip is over.

### Group Tours

Special rates are available for groups of 15 or more. The all-inclusive admission prices include unlimited enjoyment of all rides, shows and attractions with the exception of the Royal Rush Skycoaster. ## Where Would You Like to Hold Your Event?

There are plenty of special places throughout the park. Some of our most popular locations include:

### Bighorn Mountaintop Lodge

A 3,000 square-foot facility that's as perfect for large or small group meetings, corporate retreats and seminars as it is weddings and family reunions. The Lodge is just a short stroll from the park, so make sure you plan some extra time for your attendees to experience everything the area has to offer.

### Gazebo

Situated in the heart of the park, this entertainment area is ideally designed to showcase the dazzling wedding couple or a smaller group (when available).

### Juniper Junction

A 5,900 square-foot, partially-covered outdoor event area created expressly for group gatherings.

### Point Sublime

Our most popular choice for intimate and isolated gatherings, this unique rock pavilion is perched high above the park and offers awe-inspiring 360-degree views of the entire region.
